Nature Club

## Objectives

The objectives of the **Abbotsford-Mission Nature Club** are:

- to enjoy and interpret the natural history in our communities
- to cultivate an understanding and an appreciation of natural ecosystems
- to foster an environmental stewardship ethic
- to promote the health benefits of contact with nature, and
- to advocate for conservation and access to nature.

## Club Meetings

Monthly informative nature-based presentations are followed by a brief business meeting, refreshments and socializing.

**Second Wednesday of the month**
**except for July and August**
(June meeting is a fun picnic)
**7:30-9:30 pm**
**Abbotsford Middle School**
**Multi-purpose Room**
**33231 Bevan Avenue**
**Abbotsford, BC**

Guided walks and field trips are scheduled regularly.

## Membership

We cover the Abbotsford and Mission area but everyone is welcome to join.

You can join at any club meeting or by mailing in an application for membership and membership fee. Forms are available on our website. You can also contact us and we will send you an application. Members receive five Club newsletters annually.

Joining the club also includes your membership in BC Nature. You will receive the informative BC Nature magazine quarterly.

BC Nature membership provides you with the opportunity to participate in amazing outings and field camps, Spring and Fall AGMs, and be part of province-wide conservation efforts.

This brochure was made possible with a grant from BCNature.
